

# Film Producers Working Group

## Terms of Reference

### **What is the Film Producers Working Group?**

The Film Producers Working Group consists of member companies of EDANA, which are producers of film for the hygiene and medical industry.

### **Objectives**

- To pool, exchange and discuss relevant information to films used in hygiene and medical applications through appropriate means, within the remit of EDANA's competition guidelines
- To get an analysis of the results of the film quarterly statistics collected, compiled and published by EDANA
- To exchange information on issues of common interests based on presentations by external speakers

### **Who should attend?**

- Manufacturers of film for hygiene and medical markets. Looking at the objectives of the working group, participants are primarily people with commercial roles.
- Participation in a group is subject to the EDANA guidelines

### **Benefits/deliverables**

- Collection of market statistics
- Annual meeting with a presentation of the quarterly statistics to the participating companies, and discussion on market trends
- Discussions on topics relevant to the film and/or absorbent hygiene sector
- Contacts and networking

### **Chairperson**

(to be elected)
