## FACT FILE

### WHO SHOULD ATTEND?

Both technical and marketing persons will benefit from attending this course as they are likely to be involved with producers, suppliers, converters and retailers within the industry.

### COURSE ORGANISER

This training course is organised by EDANA. The association is sponsor of INDEX, the world's largest nonwovens exhibition. EDANA has over 300 member companies in over 35 countries.

### COURSE TRAINERS

**Marines Lagemaat** Scientific and Technical Affairs Director at EDANA, will host the course and deliver the training together with industry experts:

**Marta Roche** Sustainability & Technical Affairs Manager, EDANA

**Bernhard Awolin**

Business Consultant for nonwovens-made products, Bernhard Awolin Consulting

**Dr Edgar Herrmann**, Technical Director, Hy-Tec

**Armelle Davy Bevilacqua**, Key Industry Manager, Hygiene and Paper Division – Consumer Association Coordinator Non-Food Products, Eurofins ATS

**Tony Rétrif**, EMEA Technical Account Manager, Bostik

### LANGUAGE

The course language is English. The trainers make extensive use of visual aids, videos and samples. Active participation is encouraged from all delegates.

### NUMBERS

Each course is limited to around 20 delegates.

### VENUE

The course will take place at EDANA, Avenue des Nerviens 85, 1040 Brussels, Belgium, if a minimum number of 10 participants is reached.

### ACCOMMODATION

EDANA will provide hotel recommendations after registration.

### REGISTRATION FEE

Visit the EDANA website for more information about the registration fees. EDANA members benefit from a discounted rate.
